Chairwoman DeLauro and Ranking Member Granger:

I am requesting funding for the Morgan City Meteorological Stations Operation and Maintenance in the Fiscal year 2023.

The entity to receive funding for this project is the Port of Morgan City at 7327 Highway 182, Morgan City, LA 70381.

The funding would be used for ongoing operations and maintenance of two Meteorological Stations (MET Stations) that are located offshore of St. Mary Parish, Louisiana.

I certify that neither I nor my family has any financial interest in this project.

Respectfully,
